

Stand building

More than 90 service companies are there to support you as an exhibitor with a seamless portfolio of services. These partners will make a significant contribution to the success of your appearance at the fair.

Stand construction

Impress visitors with your stand and get your company noticed.

As your competent and reliable partner, Meplan, a subsidiary of MesseMünchenGmbH, can provide support for every aspect of stand construction for your appearance at the trade fair.

Whether you need a system solution or a personalized design, Meplan can take responsibility for planning and constructing your stand from the moment you make the inquiry right through to the last day of the trade fair.

Choose the right stand system for you from over 40 different types at www.meplan.de.

Alternatively, opt for a personalized solution and discuss your ideas with our stand construction experts.
